

Make a difference in a child's life
Become a Reading Buddy!

Reading Buddies

We are recruiting volunteers for the Reading Buddy program in schools. As a volunteer, the mentoring program offers you a great way to get involved in our schools.

It only takes 30 minutes, once a week. Times are set up according to your schedule.

No special skills required-Just the desire to make a difference!
Volunteers are matched with students who need extra help with reading at North or South Dodge Elementary in the Media Center.
